About Me

Recent BCA graduate from Amity University with strong skills in programming and database management. I am eager to apply what I have learned and grow professionally in a dynamic work environment.

Education

High School (class 10th)

2019

Maharashtra State Board

Intermediate (class 12th)

2021

Maharashtra State Board

Bachelor of Computer Applications

2022 - 2025

Amity University, Noida Online

Work Experience

I am Fresher, Enthusiastic and driven recent graduate, ready to apply learned skills and eager to embrace new challenges in a professional environment.

Being a BCA fresher from Amity University, I do not have any full time job experience in my field but I did some non IT field jobs when I was continuing my studies.

You can see my all details on my portfolio web.
